

Methodological Letter No. 1 – THE CTU RETURN GRANTS GUIDE

for the CTU Return Grants Scheme

Methodological Letter No. 1 is issued in connection with the modification of the wording of the CTU Return Grants Guide for the CTU Return Grants Scheme.

Methodological Letter No. 1 modifies the text of Section III, point D):

III. RETURN GRANT APPLICATION REQUIREMENTS, ELIGIBLE ACTIVITIES / COSTS, INELIGIBLE ACTIVITIES, OUTPUTS, GENERAL APPLICATION CONDITIONS

D) RG outputs:

In this point, the part:

The following RG outputs: *Publications funded by the grant; Scholarly publications – letters, reviews, conference/proceedings papers; Scholarly publications (selected types) with international co-authorship authored by the applicant; Scholarly publications (selected types) co-authored by research institutions and enterprises; Publications in Q1 journals in the field* must be **documented no later than the end of year n+1 of the RG implementation phase** where “n” is the year in which the implementation phase of the RG began. All other outputs must be documented together with the submission of the Final Report at the latest.

is replaced by the following:

The following RG outputs: *Publications funded by the grant; Scholarly publications – letters, reviews, conference/proceedings papers; Scholarly publications (selected types) with international co-authorship authored by the applicant; Scholarly publications (selected types) co-authored by research institutions and enterprises; Publications in Q1 journals in the field* must be **documented no later than the end of year n+1 of the RG completion** where “n” is the year in which the implementation phase of the RG ended. All other outputs must be documented together with the submission of the Final Report at the latest.
